

SCRIBE RITE®

FLOORING & PATTERN PAPERS

Vinyl and resilient flooring installations can be enough of a hassle without having to fight your scribing material at every turn. Installers don't need the aggravation of having to wrestle with clumsy, heavy pattern felts. Nor should they have to worry about other products that can bleed and stain expensive floors, walls and furniture. That's why Fortifiber Building Systems Group® offers flooring installers better alternatives to cheap felts — Scribe Rite Flooring and Pattern Papers.

Ideal Price & Performance

Fortifiber's family of flooring and pattern papers is designed to deliver optimum efficiency in flooring installations at a competitive price. Our Scribe Rite Black Paper stands out as one of the most user-friendly pattern products on the market, weighing just half the weight of comparable products. It works extremely well with traditional metal scribing tools.

“*Fortifiber's scribing papers consistently deliver crisp, clear scribing lines and smooth cut edges.*”

Each of Fortifiber's scribing papers consistently delivers crisp, clear scribing lines and smooth cut edges. Individual roll carton packaging protects the unused portion and provides for easy handling and storage.

Decades of Proven Performance

Scribe Rite Black is marketed by the Fortifiber Building Systems Group. With more than a seventy-five year history of proven performance, technical expertise and practical know-how, the company has become a trusted partner to builders, architects and code officials.
